## **2017 Benefits of Membership**

### **Getting connected - Web Site**

No-cost links for members on [humboldtks.net](http://humboldtks.net) result in local and global exposure and promotion of your business and services providing increased visibility and marketing opportunities. As a Humboldt Chamber Member you receive:

- Listing of your business, address, phone number and contact person
- A link to your website
- And the opportunity to link your website to the Humboldt Chamber of Commerce website

The Chamber's Web site is both informative and interactive. It works like an on-line directory, listing members by name. The Web site also includes current information on the Chamber's events and provides direct links to other sites that provide information about Humboldt.

### **Communication**

Member communications such as the Monthly Meeting Notice, event reminders, and Notes from the President e-mails keep you up-to-date on chamber programs and news.

### **Proof of Membership**

Belonging to the Chamber of Commerce shows clients and colleagues that you are committed to your business and your community. A Window Membership Decal is given to you for display in your business. Customers like to do business with firms that have a stake in the community that supports them. Your Chamber of Commerce membership tells everyone you mean business and you care.

### **Grand Openings & Ribbon Cuttings**

For the opening or expansion of your business, the chamber will provide a ribbon cutting. Our close relationship with the press can help give the event real impact! New businesses get the current year membership to the chamber *free!*

### **Chamber Luncheon**

This mid-day networking event is held every quarter. It provides an opportunity to meet other business people and to discuss various activities. There is no better way to let fellow Chamber members know about your company than to sponsor this event.

### **Tourism**

The Humboldt Chamber of Commerce helps sponsor local events: Biblesta, Adopt-A-Kid, City wide garage sales, Halloween Parade, Holiday Market, and others. We print brochures about area attractions and promote Humboldt statewide by having our representatives attend the annual Kansas Sampler.

### **Getting Involved**

The Humboldt Chamber of Commerce welcomes your involvement in its programs and events. Members can help support the community in a variety of ways:

- Help the community shine by joining the chamber's PRIDE Committee
- Be a member of the Biblesta Committee.
- Join the Business Action Team, Downtown Action Team, or the Housing Action Team.

Members are always welcome and encouraged to get involved in the vast array of Chamber committees and activities. The benefits to you are great when you become an active part of the Chamber and help shape the future. The Humboldt Chamber depends upon volunteers to aid in implementing the Chamber's mission by serving on committees. This is an excellent way to develop contacts and find out what's going on in the community.

### **Annual meeting**

Each year, the Chamber hosts a membership meeting to review the year's priorities and look to the future to discuss Chamber priorities and issues of importance to our members.

### **Volunteer Recognition**

The Annual Volunteer of the Year Banquet and the Dr. Long Community Service Award are used to thank volunteers for what they do for Humboldt.
